Dear Parent/Carer

I am writing to inform you that we have taken the decision to close St George's Academy from 4.30pm, Wednesday 18th March until Monday 23rd March. We will review the closure over the weekend and following any government announcements will update you accordingly.

The continuing impact on staff has meant that it is not currently operationally possible to run the school safely. Our aim is to follow the government's advice and keep all families, pupils and the Academy community safe.

To provide learning resources to pupils during this time staff have reviewed and set work through our online learning platform 'doddle'. Links to the work set can be found on the website under 'Home Learning'.

Instructions of our expectations of work and 'How to' guides are also available on the website as well as our specific 'Home learning' email address for learning queries and support. Work has been set for all subjects and all year groups.

Please can I once again thank parents and carers for your messages of support at this time, and ask that you continue to pray for all those whose lives have been severely impacted by the virus, the medical staff and for wisdom for those leading the responses of our nation.

Yours sincerely

Mr G Warnock

Headteacher
